West Patton Village 2022-2023 Infrastructure Project:

Q & D Construction is currently replacing roads and driveway aprons. THE ROADS IN WPV WILL GET WORSE BEFORE THEY GET BETTER! Road construction will last 60 to 90 days, before there will be new streets!

There will be times when you will not be able to use your driveway for several days, while Q&D builds your driveway apron and pour your concrete. Concrete should be complete by 9/22 and Road work will begin 9/11. The construction company will give you notice when they will be installing your driveway apron.

Please drive slowly through the neighborhood for the safety of the contractors, children and yourself. Construction will continue all summer, so please be patient and considerate to one another. Completion estimated 11/01/2023

FACTS: Project estimated cost \$13,426,600.00. Water and Sewer are SRF (State Revolving Fund) Grant.

- County and HPUD have a 7 foot easement from the sidewalk into each yard.
- Whatever is torn-up during constructions will be replaced as good or better by completion of project.
- Rate Changes will occur, as contractors complete portions of their work.

The Community approved rate changes for this project and the State Funding with Resolution 2019-03 and Resolution 2019-04 on September 17, 2019. The new rates will take affect on the **October 23rd billing**. Water facility charge will be \$84.03 plus \$2.00 per 1,000 gallons used. Sewer charge will be \$65.62 monthly.

Reminders:

- **Utility Payments are due in Office by the 10th of every month, not postmarked. Late fees apply if received after due date or balance not paid in full**
- **PSN Help # 866-917-7368 (must have valid email and account #)**
